COMPANY PROFILE

Davin Medical is a professional manufacturer specializing in the production of Class III orthopedic implants. It has 6 years of R&D and manufacturing experience. A professional overseas trade team provides you with product solutions and market growth services.

We offer a wide range of implants, such as plates, screws, intramedullary nails, spinal products, and orthopedic instruments. Our products have obtained CE and ISO 13485 certifications.

We have more than 100 employees, including over 30 R&D personnel and more than 20 domestic and international sales staff.

Category	Annual Capability
Spinal Screws	100k EA
Bone Screws	1000k EA
Intramedullary Nails	120k EA

纵切中心
CNC Turning Center
CITIZEN from Japan

Category	Annual Capability
Bone Plates	150k EA
External Fixators	20k EA

加工中心
CNC Machining Center
HAAS from USA

FAQ

Q1: What is your payment method?

Answer: We accept bank transfers, Western Union, PayPal, and Alibaba.

Q2: What is your delivery time?

Answer: We have a large inventory and can ship as soon as possible within a week.

Q3: What is the delivery method?

Answer: We ship orders through DHL, UPS, FEDEX, TNT, EMS and other methods.

Q4: What is your product warranty?

Answer: Our product comes with a one-year warranty.

Q5: Do you provide free samples?

Answer: Yes, we can provide free samples, but you must pay for shipping.
